## Buy Where You Ride

To connect with your local club, enter the city, address or postal code closest to where you ride.

**Step 1.** In the box below, enter the name of the community (or a postal code or address in that community) where you anticipate doing most of your riding this season. Then, click on the search button and you'll see that the map will zoom in on club locations within that geographical area.

Search

**Step 2.** Click on each shape to display the club name and continue to do so until you've found the club you wish to support through your permit purchase. You can also choose your club by simply having a look to the left of the map where information is listed about the clubs closest to the community, postal code or address you entered.

**Step 3.** Once you've identified the correct club, click the select button at the bottom of the box, under the map.
